## MÖNSTERDELAR

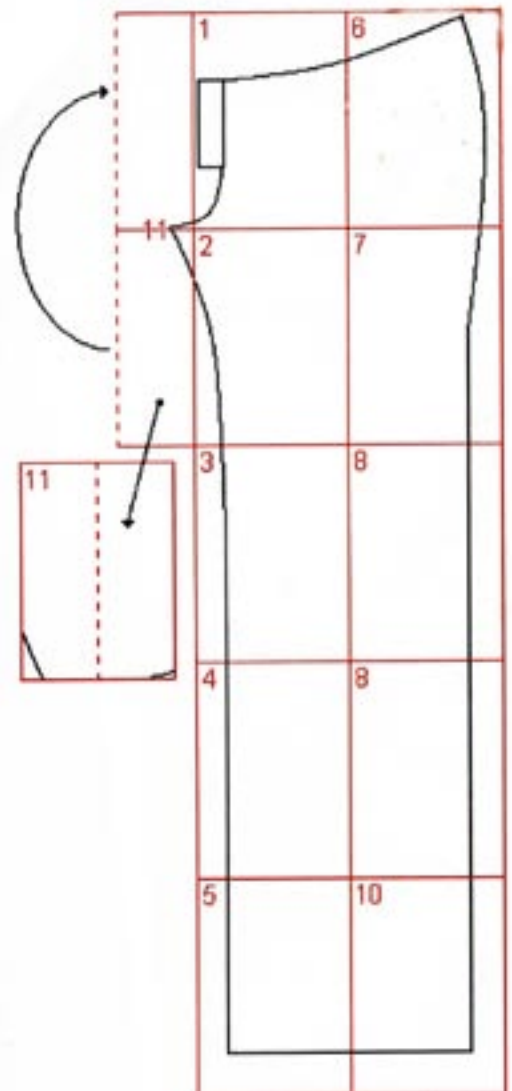

### BYXOR FÖR MÄN - FRAMSTYCKE

Så här sätter du ihop  
A4-bladen till ett helt  
mönsterark för ett framstycke

Varje sida i den här pdf-filen  
innehåller en numrerad del  
av detta mönster.

Du sätter ihop dem genom  
att matcha 'kanthakarna  
mot varandra.

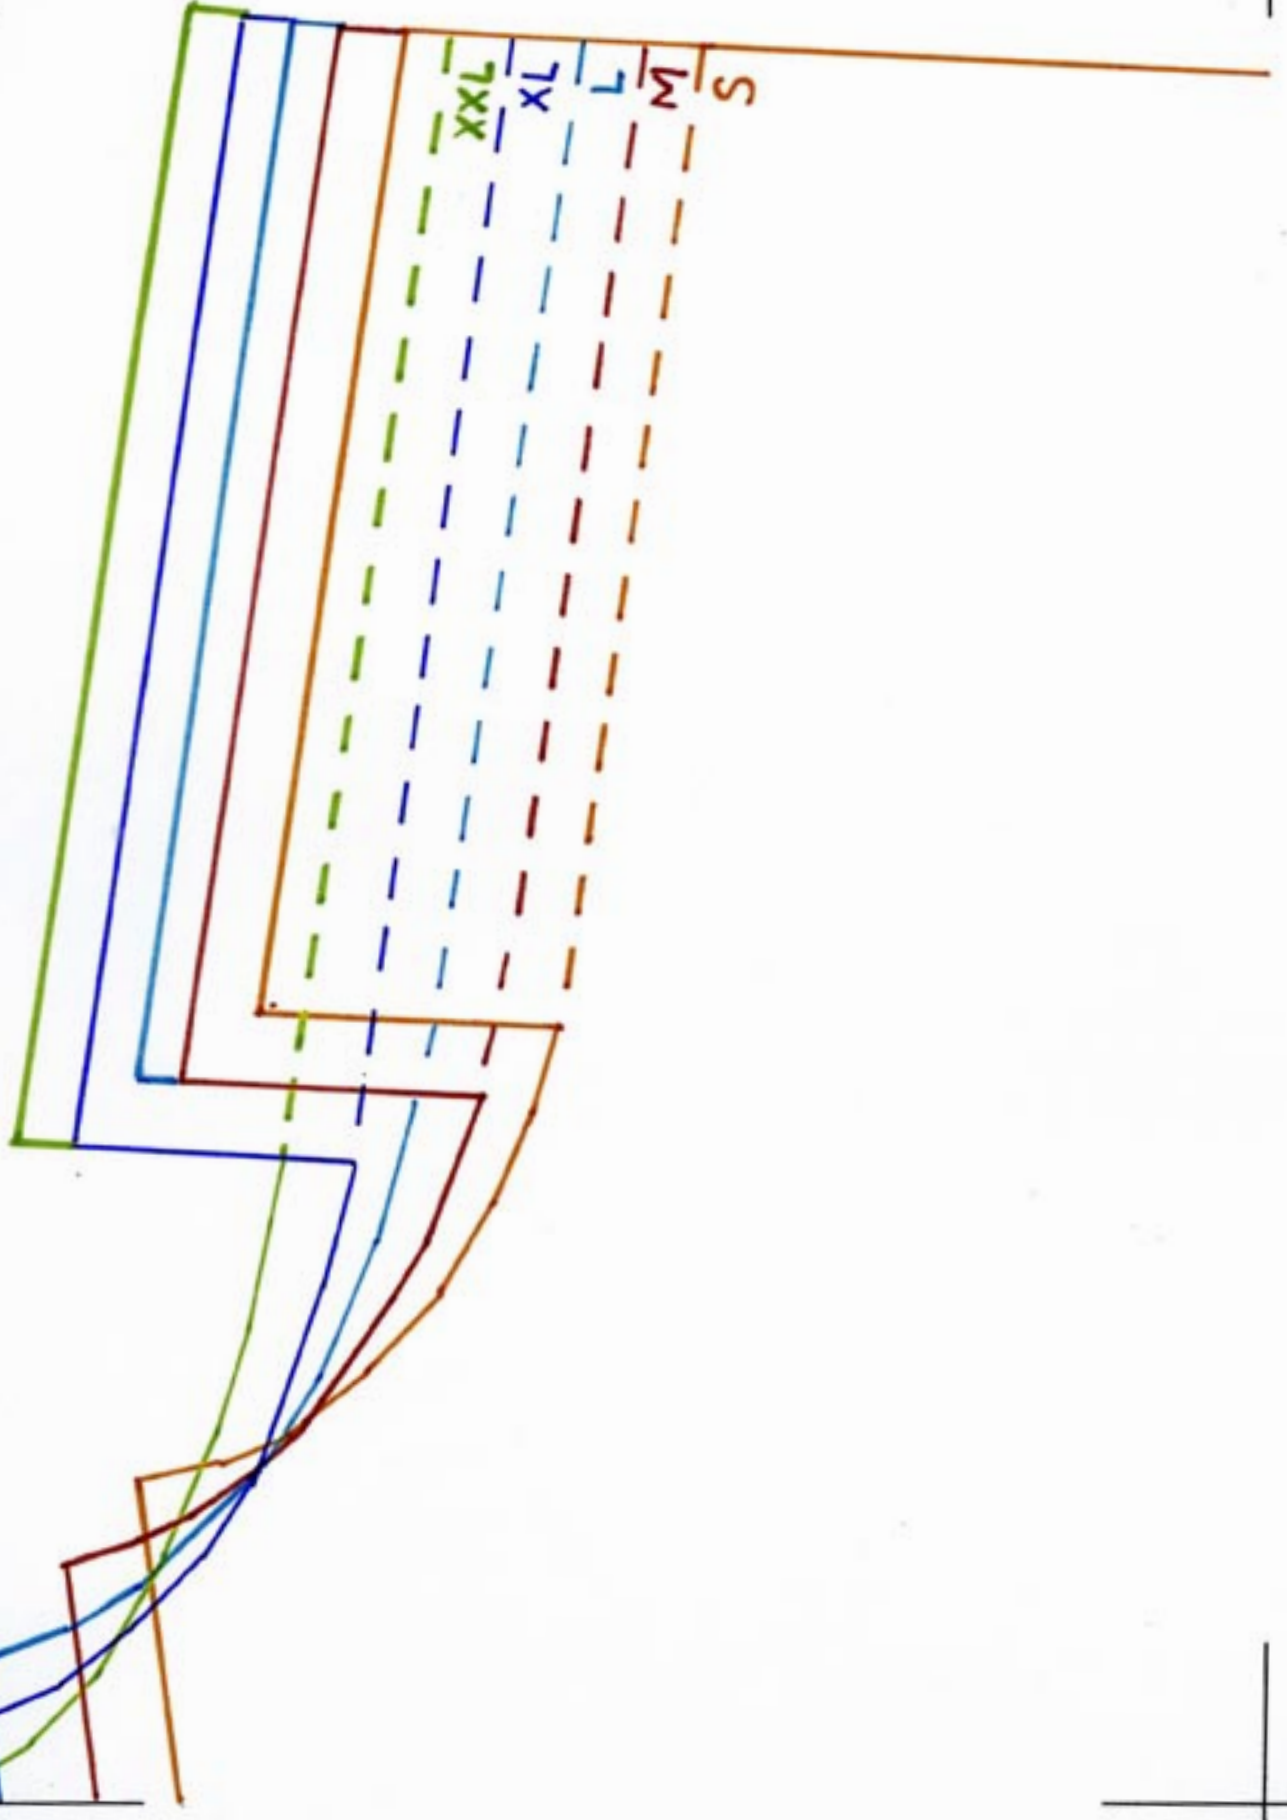

OBS! Du behöver bara  
mönsterdel 11 om du ska  
sy storlek XL eller XXL.

Kom ihåg att skriva ut sidorna på A4-papper (210 x297 mm)  
så att måtten på ditt mönster blir korrekta.

Mät avståndet mellan 'kanthakarna' för att vara säker att du  
får rätt storlek. Avståndet är (170 x 257 mm)
