

MÖNSTERDELAR

BYXOR FÖR KVINNOR - FRAMSTYCKE

Så här sätter du ihop
A4-bladen till ett helt
mönsterark för ett framstycke

Varje sida i den här pdf-filen inne-
håller en numrerad del av detta
mönster.

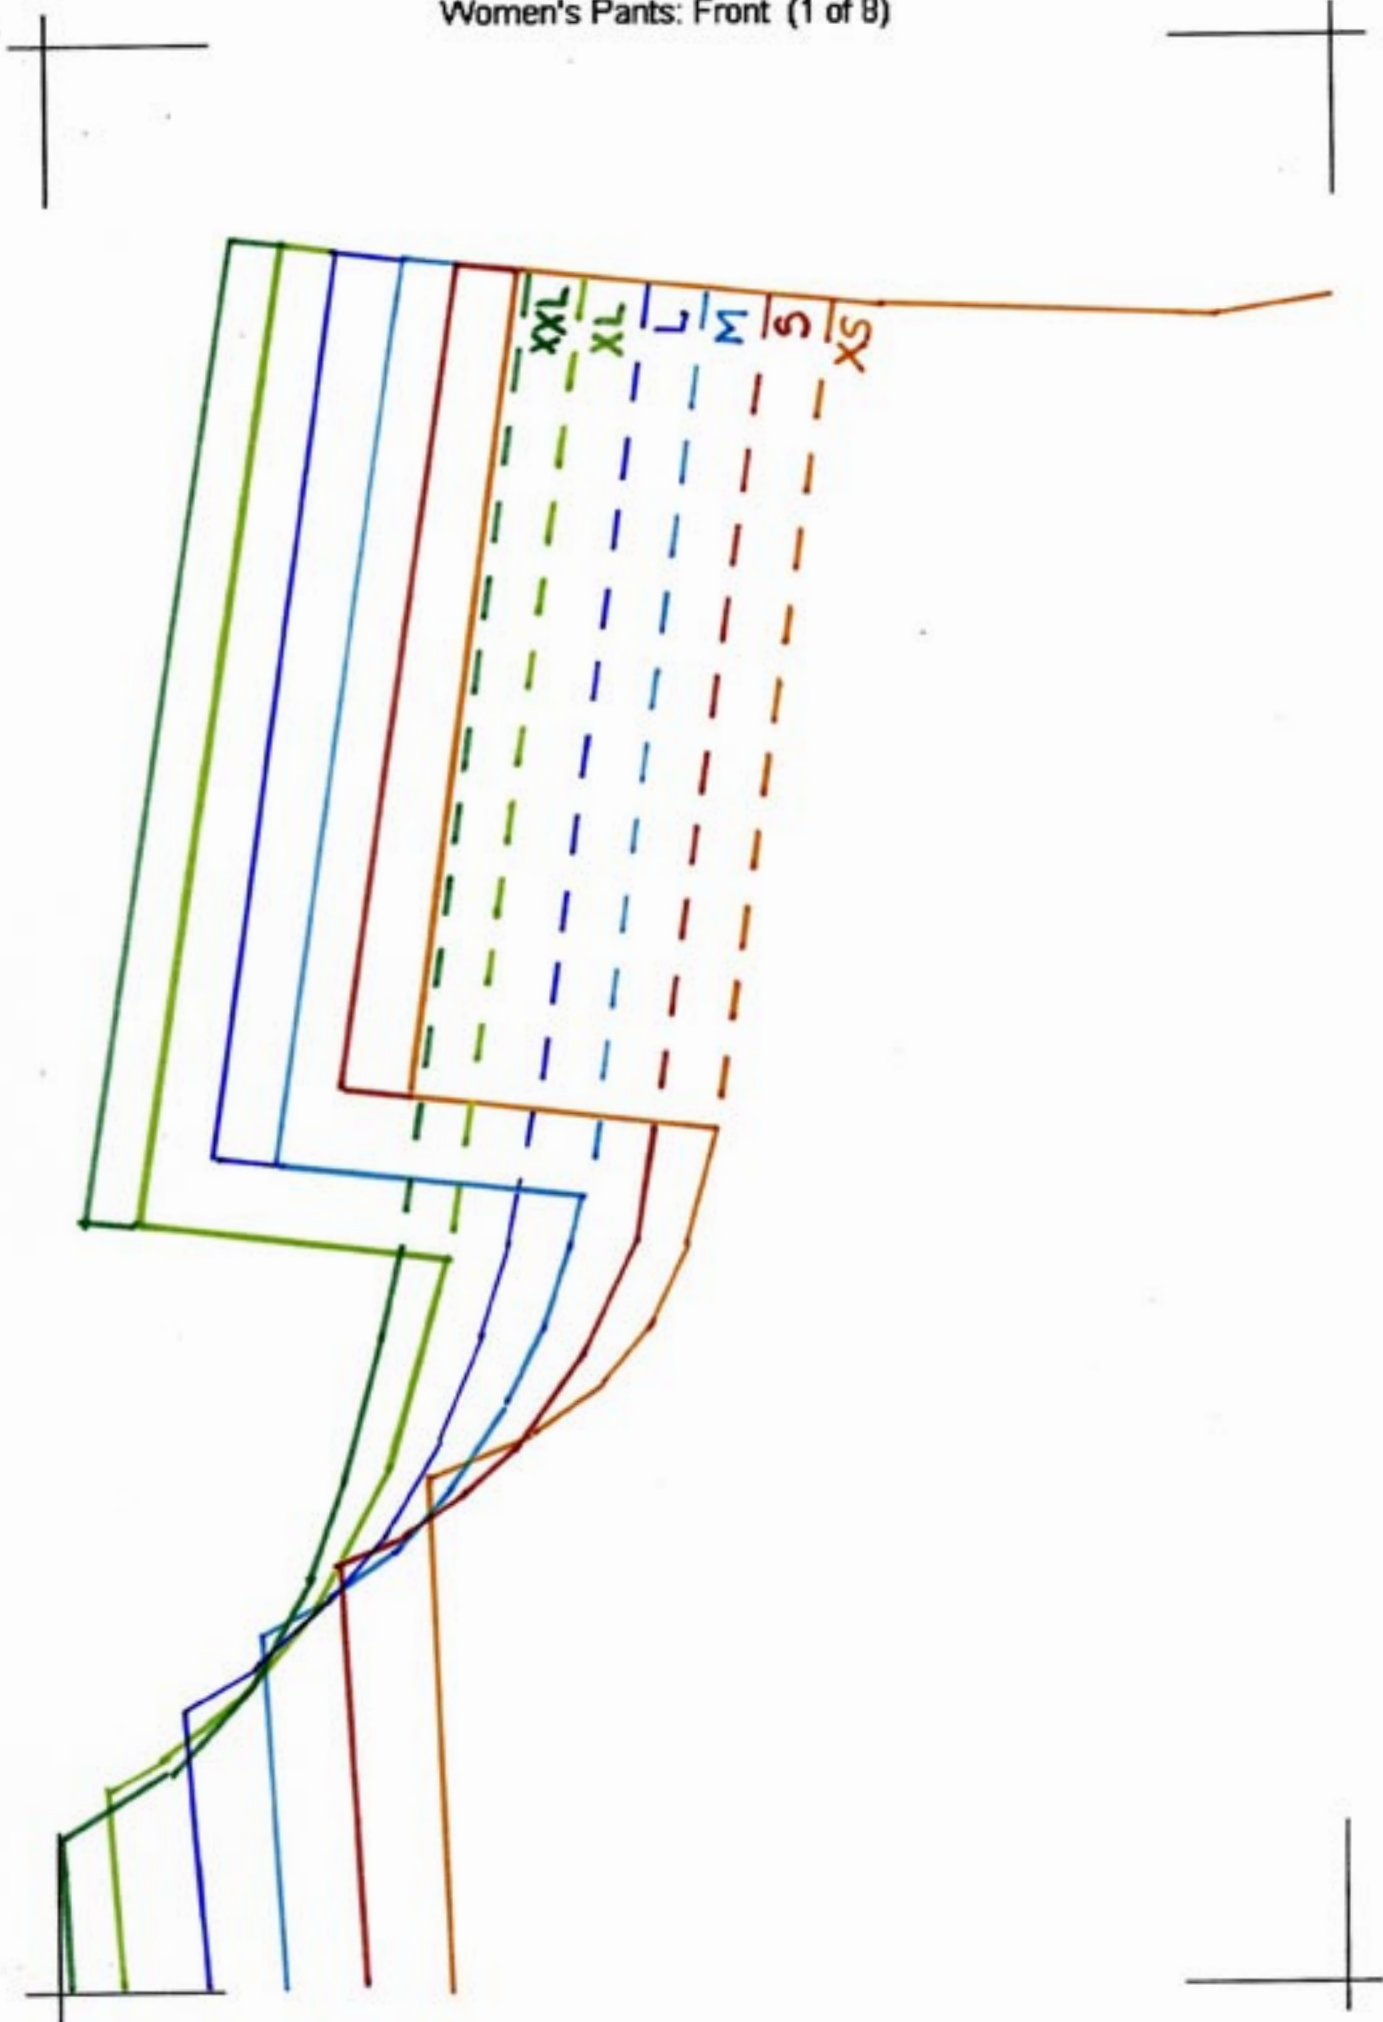

Du sätter ihop dem genom att matcha
'kanthakarna mot varandra.

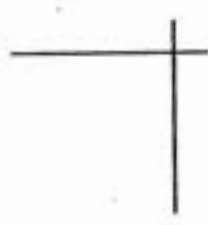

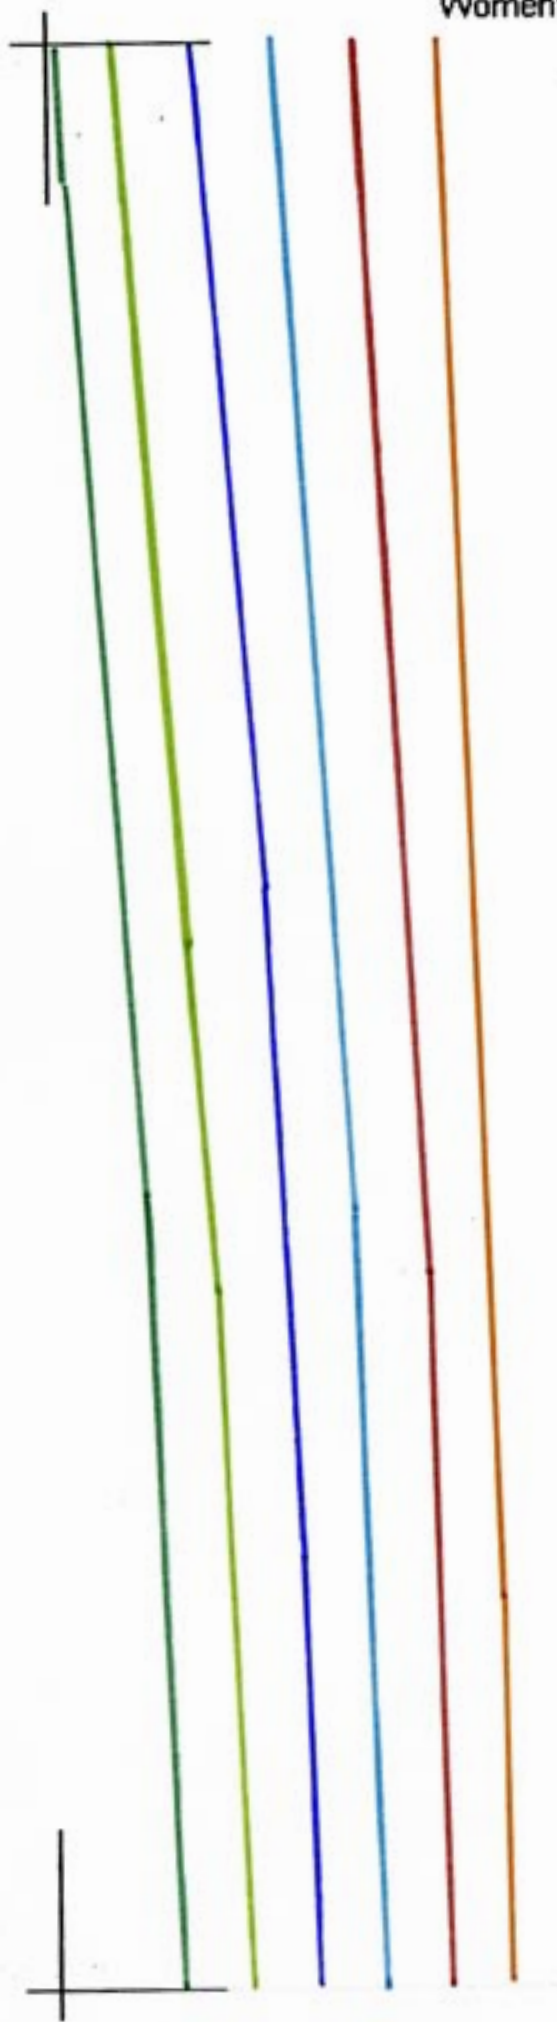

Kom ihåg att skriva ut sidorna på A4-papper (210 x 297 mm)
så att måtten på ditt mönster blir korrekta.

Mät avståndet mellan 'kanthakarna' för att vara säker att du
får rätt storlek. Avståndet är (170 x 257 mm)
